DEPARTMENT OF ELECTRICAL & COMPUTER ENGINEERING

26th September 2025

Scholarship Orientation and Guidance Session

**School/Department: SoET Electrical & Computer Engineering
Department**

Name of resource person:	Mrs. Yogita Palve and Mr. Sohail Khan
Designation:	Head Clerk and Senior Clerk, AIKTC Admin Office
Date of Session:	25/9/2025
Title:	Orientation and Guidance Session on MHA DBT Scholarship form filling
Organized by:	ECE, AIKTC, New Panvel
Target audience	SE, TE, & BE Students
Number of Beneficiaries	69 Students
Event Co-Ordinator	Prof. Sheeba Naaz (Assistant Professor)

DETAILS OF SESSION:

Aim/ Objective:	The main aim of the program was to guide students in completing their scholarship forms without difficulty. The objectives included introducing the participants to the details of the MHA DBT Scholarship scheme and its benefits, clarifying eligibility conditions for both fresh and renewal applicants, and providing a clear, step-by-step demonstration of how to fill out the application form online.
Description Details:	The Ministry of Home Affairs (MHA) has introduced the Direct Benefit Transfer (DBT) Scholarship Scheme with the objective of supporting the education of eligible students, particularly those belonging to specific categories notified by the Government. To ensure that students are fully aware of the eligibility conditions, the documents required, and the correct procedure for filling out the application form, an Orientation and Guidance Session was organized. This session served as a platform to inform students about the scholarship, familiarize them with the online application portal, and reduce the chances of rejection due to errors in the application. The session also focused on educating students about the correct method of uploading documents, the importance of accuracy in bank details, and ensuring Aadhaar linkage for smooth disbursement.

Innovative Teaching - Exuberant Learning

Vision : To be the most sought after academic, research and practice based department of Electrical & Computer Engineering that others would wish to emulate.

Lastly, the session aimed to answer individual queries and address common mistakes that often lead to the rejection of applications.

Outcome of Session:

The Orientation and Guidance Session was highly effective, providing students with a clear understanding of the DBT Scholarship scheme and boosting their confidence in error-free form filling. The live demonstration, doubt clearance, and guidance on avoiding common mistakes helped reduce chances of rejection and ensured timely, accurate submissions.
