DEPARTMENT OF COMPUTER SCIENCE & ENGINEERING (AIML)

Academic Year-2025-26

Date/Duration	: 12 th September 2025
Mode	: Offline
Time	: Friday 02:30 a.m. to 04:30 p.m.
Staff Coordinators	: Prof. Vishal Gotarane
Event Conducted under	: NeurOnyx Club, CSE (AIML) Dept
Activity Type	: Teacher's Day
Target Group	: All Faculties and Students

DESCRIPTION OF EVENT/ ACTIVITY:

The Teacher's Day Celebration organized by the NeurOnyx Club under the ACM Student Chapter on 12th September 2025 in the Seminar Hall was a vibrant and heartfelt tribute to the faculty. The event began with a warm welcome for all professors, followed by a surprise cake-cutting ceremony where teachers cut the cake together, symbolizing unity and mutual respect. To further express gratitude, students presented beautifully wrapped mini chocolate boxes to the faculty, which added a personal and thoughtful touch to the celebration. These gestures reflected the appreciation students hold for the continuous guidance and support provided by their mentors.

The program then moved into an engaging session of interactive games designed exclusively for teachers. Activities such as the Fun Questions Round, the Chit Game, and the Rapid Fire Round created a lively and cheerful environment, filled with laughter and excitement. Professors enthusiastically participated, taking on fun punishments like singing and tongue twisters whenever they missed a task, which added humor and warmth to the atmosphere. Their active involvement not only entertained the students but also strengthened the student-teacher bond. The event concluded on a joyous note with shared moments of celebration, making it a memorable success that highlighted the spirit of respect, gratitude, and togetherness.

Innovative Teaching - Exuberant Learning

Vision : To be the most sought after academic, research and practice based department of Computer Science & Engineering (AIML) that others would wish to emulate.
