Career opportunities and scope in Marine Engineering **(By Alumni Connect Center under Alumni Engagement Program)**

A counselling session on **Career opportunities and scope in Marine Engineering** was organised by **Dr. Atul N. Meshram**, Coordinator, Alumni Connect Center (ACC), department of Mechanical Engineering under the Alumni Engagement Program. Amongst many of our distinguished Alumnus who joined the field of Marine Engineering, **Mr. Duste Safwan** our Mechanical Engineering pass-out student (**2024 Pass-out**), who joined Graduate Marine Engineering (GME) after graduation. Mr. Safwan has completed his GME course and now ready to go offshore. **He** was requested by **Dr. Atul Meshram** to come for a career counselling session on 8th Oct 2025.

The session on **Career opportunities and scope in Marine Engineering** was scheduled for **BE** students, to get more insight on the Marine Engineering field. The main purpose or objective of inviting **Mr. Safwan** was to conduct a Session on Career opportunities and scope in Marine Engineering for our BE students and make students aware of the Marine Engineering field.

The main objective of this career counselling session:

1. To make our students aware of the opportunities in the field
2. To know How to get into Marine Engineering, what are the required skills and knowledge, opportunities in Marine Engineering.

We feel proud to see our very own alumnus **Mr. Safwan Duste (Distinguished Alumnus of AIKTC- 2024 Pass-out Batch)** and delighted to see his keenness in helping our students in shaping their career and making them aware of the field.

Innovative Teaching - Exuberant Learning

Vision : To be the most sought after Technical campus that others would wish to emulate.

Dr. Atul Meshram thanked and welcomed **Mr. Safwan** for coming for the career counselling session on a very short notice. The session started at 12.00 noon and was very fruitful and interactive. The session will definitely help student understand the requirement of GME, what and how to prepare for Graduate Marine Engineering,

The session comprised of the discussion on:

1. Overview on Marine Engineering
2. What after Graduation
3. How to get into GME
4. Institutes available in and around & Approximate Fee
5. What to prepare for before deciding to join Marine Engineering,
6. Process to join Graduate Marine Engineering.
7. What you learn during GME & Course duration.

Mr. Safwan explained everything in detail and students got answers to their queries on the field of Marine Engineering. Students were participating in discussion and Safwan was addressing to their individual queries. He assured that he is always available and will come whenever possible to guide students in every possible way.

We at Alumni Connect Center (ACC), will keep conducting similar sessions for our students so that they excel in their studies and help them make a right choice of the career. Dr. Atul Meshram thanked Mr. Safwan Duste for the interactive and fruitful session. The session got over at 1.00 PM.

Report is prepared by Prof. Atul Meshram, Coordinator, Alumni Connect Center, department of Mechanical Engineering.
