### DESCRIPTION OF EVENT / ACTIVITY:

The NeurOnyx Club and the AIKTC-ACM Student Chapter, in collaboration with the Department of Computer Science & Engineering (AI & ML), organized an engaging and competitive event titled “**Clash of Context**”. The event aimed to enhance students’ critical thinking, communication skills, and adaptability through real-time argumentative and analytical challenges. It was **open to all schools**, promoting wider participation and inter-institutional interaction.

A total of **26 teams** participated in the event. The session began with an introduction to the rules and structure, followed by the commencement of the rounds.

### Key Highlights of the Event:

- **Debate Round:** All 26 teams participated in a structured debate on technological topics and were evaluated on content, clarity, and delivery.
- **Blind Interpretation:** 12 shortlisted teams were given unseen visuals to interpret on the spot, testing their creativity and logical reasoning.

**Innovative Teaching - Exuberant Learning**

Vision : To be the most sought after academic, research and practice based department of Computer Science & Engineering (AIML) that others would wish to emulate.

- **Switch the Side:** The top 4 teams competed in the final round, where they had to instantly switch their stance and argue the opposite viewpoint, demonstrating adaptability and presence of mind.

**Winners of the Event:**

**1st Place:** Hajwani Mueez Sajjad Mehtab and Abdul Rehman Kalsekar

**Runner-Up:** Shaikh Farhan and Altaf Kasu

**2nd Runner-Up:** Naseem Kalaf Hussain Choudhary and Danish Mohd Asad Khan

The event successfully provided a platform for students to develop confidence, enhance public speaking skills, and engage in meaningful intellectual exchange. It concluded with the announcement of results and appreciation of all participants and organizers for their contributions to the success of the event.
