RELEVANCE TO PO WITH LEVEL:

DESCRIPTION OF EVENT IN 50-100 WORDS:

STUDY JAMS was recently organized with 254+ student participants under Google Developer Groups on Campus, of which 108+ successfully completed the program. To recognize their achievement, Google provided exciting goodies including T-SHIRTS, HAND BAG, WATER BOTTLES, and stickers, while the GDGC team awarded certificates to all achievers.

Another major highlight is the TECHSPRINT HACKATHON, organized at AIKTC, where more than 300 participants from across India registered, and around 60 teams made their final submissions. We are proud to share that the top THREE WINNERS are from our own campus, showcasing the talent and innovation of our students. In addition to this, GDGC also organized a Pitch Carnival in collaboration with the Leo Club and Cultural Incubation Center, providing students a platform to present their startup ideas. Currently, the Google Solution Challenge is ongoing at the national level, and we are proud that 200+ students from our campus have registered.

Even more exciting — we are currently ranked 2nd at the national level, and we encourage more students to participate and submit their solutions.

Location of the event - Seminar Hall CO Department
