DETAILS OF EXPERT LECTURE:

Aims/ Objectives :	<p>To organize a social outreach activity by the Department of Electrical and Computer Engineering, encouraging students and staff to contribute towards the welfare of underprivileged children at <i>Immanuel Mercy Home Ashram</i>, Khairwadi, Maharashtra.</p> <p>OBJECTIVES</p> <ul style="list-style-type: none"> • To develop a sense of social responsibility among engineering students. • To extend help and support to orphaned children by providing essential items. • To create awareness about community service and teamwork among students, faculty, and staff. • To strengthen the bond between the institution and society through meaningful contribution.
Description of Expert lecture:	<p>The Department of Electrical and Computer Engineering conducted a Donation Drive for Immanuel Mercy Home Ashram on behalf of second, third, and final-year students, along with faculty members and non-teaching staff. All participants actively collected essential items such as groceries, stationery, clothes, and snacks. The contributions were gathered systematically at one central location – the BEE Laboratory in the department.</p> <p>Representatives from the Ashram were invited to the college premises to receive the collected donations. They visited the department, interacted with faculty and students, and expressed their gratitude. As a mark of appreciation, <i>Immanuel Mercy Home Ashram</i> presented an official appreciation letter to the department acknowledging the efforts and contributions.</p>

Innovative Teaching - Exuberant Learning

Vision : To be the most sought after academic, research and practice based department of Electrical Engineering that others would wish to emulate.
