Brief Summary

The Department of B.Sc. Information Technology organized a **Two-Day Hands-on Workshop on DevOps**, focusing on **Docker and Jenkins**, for TY B.Sc. IT students during the academic year 2026–27.

The workshop was conducted by an experienced corporate trainer to provide students with practical exposure to industry-relevant DevOps tools and practices. Students learned and performed hands-on activities related to **Docker containers, Docker images, Dockerfiles, Jenkins, CI/CD pipelines, and Git/GitHub integration.**

The workshop helped bridge the gap between academic concepts and real-world industry practices through interactive demonstrations and practical exercises.

Subject: Letter of Appreciation for Conducting a Hands-on Workshop on DevOps

Dear Sir,

On behalf of the Department of B.Sc. Information Technology, Anjuman I Islam's Kalsekar Technical, we extend our sincere gratitude for conducting the **hands-on workshop on DevOps** for our B.Sc. IT students on 13th and 14th August 2026.

Your expertise, engaging delivery, and practical demonstrations provided our students with valuable knowledge and hands-on experience in DevOps practices. The workshop was highly informative and well appreciated by both the students and faculty.

Thank you for your valuable time, support, and contribution to the academic development of our students. We look forward to future opportunities to collaborate with you.

With sincere appreciation,

Program Coordinator
