Discipline & Anti-Ragging Squad (DARS)
Grievance & Appeal Redressal Center (GARC)

ORIENTATION PROGRAM for STUDENTS

REPORT

At the beginning of the new academic session, an Orientation program on Discipline & Anti-Ragging Squad (DARS) Grievance & Appeal Redressal Center (GARC) was conducted for the students of Mechanical Engineering by **DARS & GARC coordinator, Dr. Atul N. Meshram.**

The main purpose of the orientation program is to make students aware of **the Core values, develop Civic sense amongst students** and to make them aware that there is a center to **protect people, properties & Processes** that support institution & its mission.

It was decided that the Orientation Program will be conducted for all classes of Mechanical Engineering (SE, TE & BE separately) in the current session (Second Half of 2026-Dec 2026) during July and August 2026. The session was convened and conducted by Dr. Atul N. Meshram, DARS & GARC coordinator and the student attendance was as follows:

SEME	TEME	BEME	Total No. of Students attended
51	31	21	103
12.08.2026	25.07.206	30.06.2026	

During orientation program the students were given complete overview of the purpose and functioning of the committee and also instructed students about **Code of Conduct** and explained the role and responsibilities for successful functioning of the DARS & GARC.

Detailed information/ instructions of the DARS & GARC were given to students during the Orientation Program. Queries were resolved and suggestions for the improvement of process with ease in implementation, was taken from students. They are encouraged to come forward and be a part

of DARS & GARC in maintaining discipline and redressal of grievances of students.

DARS & GARC coordinator, Dr. Atul Meshram conducted an Orientation Program for students as per the schedule mentioned.

Following Points were discussed during Orientation Program:

Outcome (Purpose)

1. To Foster and Protect the Mission & Core values of AIKTC
2. To Foster Civic Development of Students in safe and secure learning environment.
3. To protect people, properties & Processes that support institution & its mission.

MISSION of AIKTC:

Creating Exuberant Technical Professionals.

MISSION of AIKTC:

Creating Exuberant Mechanical Engineering Professionals.

CODE of CONDUCT for STUDENTS

1. Respect for all:

Respect Authorities, Faculty, Staff. Fellow students, Seniors, Elders ones (irrespective of the post and cadre)

2. Dismissal or Suspension:

- i. Involvement in Criminal case/ anything that brings disgrace to the image of our institution
- ii. Intolerance amongst various religions, caste, color, region etc
- iii. Groupism leading to unhealthy atmosphere/ arguments.
- iv. Involvement in any kind of Ragging (On/off campus)

Innovative Teaching - Exuberant Learning

Vision : To be the most sought after Technical campus that others would wish to emulate.

- ii. Objectable physical touching amongst Boys and Girls is strictly prohibited.
- iii. Entry into girl's common room and areas reserved for girls in canteen, sports/ recreational areas is strictly prohibited.

(Minimum fine of Rs. 1000 for those found not abiding by this rule and disciplinary action will be taken too)

Purpose of you being here at AIKTC:

Why you are here = To be a good Engineer & Good human being

How will you be it = Be disciplined, Sincere and Studying Hard.

What to do for it:

- i. Be on Time,
- ii. Be Sincere.
- iii. Be Attentive.
- iv. Be Punctual.
- v. Be Ethical.
- vi. Ready to give your best.
- vii. Follow Rules & Regulations

Every small **acts and behaviour** of yours, builds your **character** which helps in shaping your **personality**.

We want you to be:

1. An **excellent son/ daughter to your parents**,
2. A **Good Engineering professional**
And Most importantly
3. A **Very Good human being** serving **Society and Nation**.

Former Indian President A.P.J. Abdul Kalam once said,

"Learning gives creativity, creativity leads to thinking, thinking provides knowledge, and knowledge makes you great."

Students were given assurance of complete support from the department for anything good they are involved in making department and institute proud.

Prof. Atul Meshram, reiterated the Mission and Motto of our institute.

“Creating Exuberant Mechanical Engineering Professionals”

We Do all that is required to be done for you.

“With You.... Till You Do Not Need Us – In Any Way”

You are our Brand Ambassadors.... We do care for you.

Wherever you go, it is not only you, we also go with you.

Grievance & Appeal Redressal Center (GARC) is for resolving grievances. If anyone is having grievances against any individual/ group, students should contact **DARS & GARC Coordinator Prof. Atul N. Meshram** for the Grievance appeal and its redressal.

Students are required to come forward voluntarily and be a **Student member of DARS & GARC Committee**. This will help us get the details through these volunteers and the process becomes easy to operate and gives students a sense of participation in doing something for the fellow friends.

Forms related to DARS & GARC are available with GARC Coordinator Prof. Atul N. Meshram, you can get those forms and give your suggestions or even complaints (if any), to improve discipline and have conducive atmosphere at the department in particular and at AIKTC at large.
