(Padma Awardee)

Anjuman-I-Islam A Proud Heritage

150 Years of Service in Nation Building

From humble beginnings, Anjuman-I-Islam has flowered into singular institution, unsurpassed in its efforts to spread education to the marginalized sections of the society.

Anjuman-I-Islam has over a period of time, since its inception, grown by leaps and bounds, continuing to give quality education to its students. Today it runs 97 institutions and at a time approximately **one lakh ten thousand students** derive benefits from the education imparted by these institutions. It has about more than 3500 teaching and administrative staff who make these efforts a successful.

Anjuman-I-Islam is leading educational conglomerate and social organization of India, **established in the year 1874**, by a group of visionaries led by **Justice Badruddin Tyabji**. Its first heritage structure came on the piece of land donated by Mr. Mohammed Ali Roghay. The Founders of Anjuman-I-Islam proactively participated in India's freedom struggle and established Anjuman-I-Islam as a symbol of Secularism and National Integration. It was also the beginning of a movement to support community's advancement in education and social standing.

Today, after **150 years**, Anjuman-I-Islam Trust runs under the dynamic leadership of **Dr. Zahir I. Kazi (Padma Awardee)**. **He is a radiologist by profession**. Anjuman-I-Islam has numerous Institutions from K.G (kinder garden) to diploma in Engineering, graduation and post-graduation in Engineering, Pharmacy, Architecture, Unani Medicine, Law, Arts, Commerce, Economics, Hotel Management and Catering, Management Studies, Home Science and Ph.D. in Engineering and Urdu across the state of Maharashtra in various cities like, Mumbai, Navi Mumbai, Raigad, Pune, Solapur, Panchgani etc.

All progress takes place outside the comfort zone!

Dear aspiring student,

I welcome you to Kalsekar Technical Campus (AIKTC), a role model campus of Anjuman-I-Islam and a high-tech educational campus of Navi Mumbai. AIKTC came into existence by the progressive approach and efforts of Anjuman-I-Islam Mumbai, the foremost prestigious educational and social organization committed for nation building services since 1874.

We proudly acknowledge the dreams of the stalwarts who were part of the freedom struggle of India, realizing the need of an education system during the British rule. Due to their far-sighted vision, Anjuman-I-Islam on behalf of its 97 institutions and one lakh ten thousand students, fulfils the educational requirement of the most underprivileged sections of the society today. We wish to expand the magnitude of Anjuman-I-Islam by providing education par excellence at affordable possible cost and ensuring that no student is deprived of education due to lack of finance. Although Anjuman is a Minority organization but it has remained as a true symbol of Secularism and National Integration.

Anjuman-I-Islam was conferred upon the prestigious Sir Syed Excellence National Award by Aligarh Muslim University (AMU). Anjuman-I-Islam is a symbol for its exemplary efforts and contributions in the field of education among the Muslims and marginalized sections of the society. In order to create international avenues and linkages for its students, faculty and staff, Anjuman-I-Islam established its first international chapter "Overseas Friends of Anjuman (OFA) Inc. in USA".

At AIKTC, you will have the pleasure of experiencing quality education through its world class infrastructure and diligent faculties equipping you with the latest trends and practices of the industry to keep you going on the path of professional success. The campus is NAAC accredited, certified by ISO 9005:2015 and facilitates for all kinds of government scholarships and financial aid to the eligible & deserving ones.

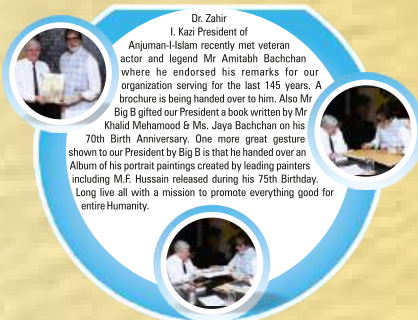

"The art challenges the technology, and the technology inspires the art."

Do you wish to be an inspiring change maker??? If YES, then welcome to AIKTC.

Dr. Zahir I. Kazi

President, Anjuman-I-Islam, Mumbai

(Padma Awardee)

Dr. Zahir I. Kazi, Hon. President AI, had the honour of meeting with our Dynamic Prime Minister, Shree Narendra Modiji.

Dr. Zahir Kazi, Hon. President AI, received the National Education Award at an event organized by ABP News at Taj Lands End

Dream and Manifest!

Dear student,
Congratulations!

Your continued dedication and perseverance towards education is phenomenal. Today, you are capable enough to find the right career choices and admit yourself into a college like AIKTC for technical education. This is due to indispensable devotion and consistent performance of organizations like Anjuman-I-Islam.

My father, Late Haji Abdul Razaq Kalsekar Sahab affirmed that the noblest deed is to educate someone whose impact will never fade away, in-fact it will keep paying off till his last breath. I whole heartedly appreciate and acknowledge Anjuman-I-Islam for providing affordable quality education for the last 150 years.

Anjuman-I-Islam is a conglomerate of educational and social institutions and amongst all of them, AIKTC practices most advanced system of educating its students to transform them into a competent and confident technical professional. Since its inception, AIKTC is continuously refining its system and recently received accreditation from NAAC, certified by ISO 9005:2015 and preparing for another accreditation like NBA. I encourage you to explore newer opportunities, follow your dreams and convert them into reality.

I believe that a right step in the right direction, at the right time and right place can change the course of your entire life.

I pray to the Almighty for your brighter future and commendable success.

“Let AIKTC be a place of light, of liberty, and of higher order learning.”

Salim Abdul Razzak Kalsekar,
Chairman,

A.E. Kalsekar Education & Welfare Trust, Mumbai.

Escape the Ordinary!

My dear student,

Hearty welcome to Anjuman-I-Islam's Kalsekar Technical Campus. It is one of the highly acclaimed institutions in the history of Anjuman-I-Islam. From the beginning of this campus, we are remarkably successful in imparting quality technical education through sincere and honest practices, thus building an ambit of great work culture.

We are continuously upgrading our teaching-learning system by imparting innovative teaching methodologies both online and offline. During this ongoing pandemic, we have ensured excellent delivery of concepts by the faculties through online portals and special care is taken during practical hours through virtual laboratories. We keep ourselves in tune with the changing dynamics of the industry so as to develop time tested techniques, values and experiences. Our campus is accredited by NAAC, certified by ISO 9005:2015 and our next step is to get all our programs accredited by NBA for various research opportunities.

We enable every student to explore new realms of knowledge, skills, attitude and wisdom. In this campus, we produce knowledgeable technical professionals having right attitude, character and inspiring mind, thus making them lifelong learners. For this, **we do all that is required to be done for you.**

By the time you complete your tenure in this campus, you get equipped to tackle every technological challenge or otherwise, with a view to provide solutions.

Wishing you highly rewarding academic years ahead and the most memorable stay on the campus.

“With You.... Till You Do Not Need Us - In Any Way”.

Mr. Burhan Harris,
Hon. Executive Chairman,
Board in Navi Mumbai, A.I.

DIRECTOR'S MESSAGE - AIKTC

Involve Yourself to Evolve Excellence

It is with immense pride and joy that I announce a momentous achievement - the celebration of more than a decade of innovation, leadership, learning, and growth at our esteemed institution! Over the years, our unwavering commitment to delivering top-notch education has only strengthened, as we strive to develop graduates equipped with globally accepted attributes, poised to excel in our dynamically evolving world.

In line with the New Education Policy (NEP 2020), the demand for multidisciplinary institutions has never been more pressing. Since our inception in 2011, AIKTC has been at the forefront of offering multidisciplinary technical education in Architecture, Engineering, and Pharmacy. Our integrated campus has been meticulously designed to prepare students for the challenges and opportunities that lie ahead, fostering increased access and inclusivity. Through world-class infrastructure and experiential learning opportunities, our students gain exposure to various technical devices, instruments, equipment, machines, and tools, both on-campus and virtually.

Our faculties are dedicated to student learning, going beyond mere teaching, by adopting innovative pedagogies such as Outcome-based education (OBE), Activity-based learning (ABL), Project-based learning (PBL), Blended learning, Flipped classroom techniques, and more. These approaches aim to nurture strong critical thinking, collaboration, and complex problem-solving skills among our students. We take immense pride in witnessing our students embarking on entrepreneurial journeys, guided by the

AIKTC Incubation Centre, and becoming self-reliant before graduation. As we forge ahead, we are forging

global ties with world-class institutions like MIT-USA, and the University of Westminster in our pursuit of excellence.

Our ultimate goal remains steadfast - to produce academically rigorous and socially responsible students, deeply connected to the needs of industry, society, and humanity. Inculcating Universal Human Values (UHV), professional development, and fostering the right attitude is central to fortifying your potential to thrive and succeed.

I extend a warm invitation to each one of you to join our vibrant AIKTC community of global citizens. Together, let us continue to shape a future of excellence and make a positive impact on the world.

Dr. Ramjan A. Khatik,

Director, AIKTC, New Panvel

DEAN'S MESSAGE - AIKTC'S SCHOOL OF ENGINEERING AND TECHNOLOGY

As a dean of the School of Engineering and Technology (SoET), I take great pride to share that the school has the state-of-the-art infrastructure and laboratories. Our faculty members are from the diversified domains; they are highly qualified having decades of teaching and industrial experience. We have set a tradition of soaring high with academic excellence and overall personality development of the students. The very purpose of education is to inculcate among the students an ability to think and develop logic to reason out facts and this is achieved by providing them an excellent academic environment. We are very keen to ensure that our students learn the concepts thoroughly; we don't believe in mere one-way communication. Our faculty members take herculean efforts to adopt different teaching-learning pedagogies like Outcome Based Education (OBE), Activity Based Learning (ABL), Project Based Learning (PBL), Blended Learning, Flipped Classroom Techniques, etc. Anjuman-I-Islam is full of ecstasy and exuberance owing to the fact that it is celebrating 150 years of its establishment. On this auspicious occasion, our institute has collaborated with the top ranked university of the World, Massachusetts Institute of Technology (MIT), Boston, USA. This would help our faculty members and students to explore the processes, aspects and best practices in an Engineering education.

Our consistent endeavour is to equip our students with both technical and management skills, so that they contribute to the industry and society as excellent professionals. Let us together reach the bottom of an ocean and explore the universe through the wings of knowledge and power of innovation. This empowerment will imbibe an attitude of positive and proactive thinking. We organize various training

programs for our students for the development of life skills such as language communication skills and technical skills. Our efforts are directed to cope up to the expectations of every student by the way of enabling them to participate in seminars, workshops, conferences, value added courses, in-plant training and industrial project works, etc.

I wish you a very joyous and academically highly rewarding student life at SoET and hope that you will uphold the pride and prestige of this esteemed institution. I extend my warm welcome to the student fraternity to visit our campus to experience its vibrancy, dynamism, versatility and humility.

Dr. Rajendra B. Magar,

Dean-School of Engineering & Technology, AIKTC, New Panvel

DEAN'S MESSAGE - AIKTC'S SCHOOL OF PHARMACY

Greetings!!!

Healthcare and the profession of Pharmacy is constantly evolving globally. Pharmacists are playing a significant role in general health care, by contributing to greater life expectancy and better quality of life

The responsibility of a pharmacist therefore increases dramatically as there is an exponential increase in disease burden on society.

At AIKTC School of Pharmacy, we believe in producing multifaceted health care professionals with a strong commitment and deep desire to contribute to the society. Established in the year 2011, the institute is being nurtured with utmost care by the team of dedicated

faculty members and supporting staff with a vision to reach a new heights in educational achievement. Our dedicated faculty help and inspire students to achieve their goals

I invite you to be a part of this school of excellence to achieve landmark in pharmacy education.

Dr. Shariq Syed

Dean-School of Pharmacy, AIKTC, New Panvel.

DEAN'S MESSAGE - AIKTC'S SCHOOL OF ARCHITECTURE

Greetings!!!

What is architecture ? is a question particularly asked by students who are looking for architecture as their future career. For me architecture is about happiness. The happiness of creation. that comes from within. A commitment to yourself to make somebody happy through our own creativity. Creativity is a science, that extracts realism from abstraction. Abstractions takes place when one wants to express the process of thinking and interpretation of the contextual background. Architecture thus is that science which bridges the gap between abstraction and reality through creative critical mind mapping. It is a science which turns

imagination into design elements which caters to the future. Understanding culture, nature and the contextual background which can be expressed through different ideas of built forms is what is construed in the students by our enthusiastic faculty at School of Architecture. Here at SoA we inculcate a positive attitude, sense of responsibility towards mankind and nature and respect to our tradition and culture in the student through our collaborative teaching methodology. Our students are our biggest assets and we nurture them with great care and work constantly towards their futuristic goals through our best possible teaching abilities. We try and promote a school of thoughts which makes the student able to face all the challenges ethically research and become a creative thinker for inventing sensitive designs. Architecture thus becomes the most interesting career option which works through a process leading towards the reality at AIKTC, School of Architecture.

Come join us for life changing fun based learning experience of design and creativity!

Prof. Raj Mhatre

Dean-School of Architecture, AIKTC, New Panvel.

- ▶ Established in 2011.
- ▶ Spread over 10.50 acres with more than **3.15 lakh sq.ft.** of built up area and still expanding.
- ▶ In spite of being a Minority Institution, it has a **spectacular culture of secular credentials.**
- ▶ An **outstanding technological campus** having world class laboratories and ultra modern facilities.
- ▶ **Par Excellence in Education, Research & Practice** in Engineering and Technology, Pharmacy and Architecture.
- ▶ **Developing students into a complete Human Resource** for industry and society at large.
- ▶ Students here are **lifelong learners capable of adapting** to an ever changing technological world.

Intrapreneurial
Curious & Persistent
Learners

To provide Educational Experiences that develop Students' knowledge areas, Abilities and qualities to enable them to identify needs and construct effective solutions in an economically, socially & culturally relevant manner.

AIKTC

SCHOOL OF ENGINEERING & TECHNOLOGY

BACHELOR OF ENGINEERING - B.E.

About the Programme:

Engineering is the application of mathematics and scientific, economic, social, and practical knowledge in order to invent, innovate, design, build, maintain, research and improve structures, machines, tools, systems, components, materials, processes, solutions and organizations. The discipline of engineering is extremely broad and encompasses a range of more specialized fields of engineering, each with a more specific emphasis on particular areas of applied science, technology and types of application. AIKTC offers five programmes of Engineering and Technology at undergraduate, post graduate and doctoral level. Outcome Based Education (OBE) philosophy is implemented here.

Ph.D.

The Department of Civil Engineering boasts state-of-the-art facilities as well as highly experienced, well-qualified, and proactive faculty members. It has 9 laboratories, well equipped with modern machinery, equipment, and instruments necessary for testing, research, and development. Our students participate in various co-curricular and extra-curricular competitions at various premier institutions, and their work is always appreciated. We have Postgraduate (PG) programme in Construction Engineering & Management as well as PhD research centre in Civil Engineering. Our PG and PhD students have set benchmarks by completing their courses within the stipulated duration and receiving accolades from the external examiners.

Vision

To be the most sought after academic, research and practice based department of Civil Engineering that others would wish to emulate.

Mission

Creating Exuberant Civil Engineering Professionals.

Anjuman-I-Islam's Kalsekar Technical Campus is a remarkable institute offering truly unrivalled quality of education. The determined vision of the management is reflected in well-qualified and committed teachers, state-of-the-art library, laboratories and classrooms catering to holistic development of learners. I am truly blessed to have AIKTC as my alma mater as it has undoubtedly inspired me to reach great measures of success during my education and beyond, such as achieving an overall CGPI of 9.7/10 in my B.E. course.

Computer Engineering is a huge spectrum having various domains like Computer Programming, Information Analysis and Prediction, Networking and Data Security, Internet and World Wide Web, Software Programming, Design and Development, etc. The world is advancing today at a rapid speed due to the use of computers in all fields of education, research, design and development. Programmers Club (By the students and For the students) is a worthy initiative providing guided freedom to our students for their creative expression. Young, enthusiastic, energetic and responsible faculty, staff and the state-of-art infrastructure are the key assets here.

Vision

To be the most sought after academic, research and practice based department of Computer Engineering that others would wish to emulate.

Mission

Creating Exuberant Computer Engineering Professionals.

As an alumnus of the Computer Engineering Department, I can confidently say my time here was transformative. The department's excellent infrastructure and supportive professors created a nurturing learning environment. Their encouragement led me to write research papers, resulting in a publication in IEEE and a presentation at an international conference. A standout moment was a deep learning workshop with hands-on training that significantly enhanced my skills. The department's expert sessions, workshops, and social development programs offered practical knowledge and essential soft skills crucial for my career.

The Department of Electrical & Computer Engineering offers a vibrant environment for undergraduate education and research, and is committed to the advancement of the frontiers of knowledge in electrical & computer engineering, thus providing students with a stimulating and rewarding learning experience.

The modern, well-equipped laboratories are recognized for research work of faculty members, encompassing a wide gamut of sub-disciplines of electrical & computer engineering in collaboration with researchers from other disciplines, from within and outside the institute. The department is strong with their senior faculty members who are experts in various fields of electrical & computer engineering that include Power System Restructuring and Reforms & Digital Processing.

Vision

To be the most sought after academic, research and practice based department of Electrical & Computer Engineering that others would wish to emulate.

Mission

Creating Exuberant Electrical & Computer Engineering Professionals.

My four years pursuing Electrical Engineering at AIKTC would count as one of the most memorable and full-filling years. I could take part in both the rigorous academic learning imparted by some extremely good professors while at the same time developing my overall personality by being socially active in various events, festivals and field trips. My experience at AIKTC left an indelible mark on my entire personality and identity which comes through in a lot of things i do today.

ELECTRONICS AND COMPUTER SCIENCE (Erstwhile Electronics and Telecommunication Engineering)

Duration : 4 years

The Department of Electronics and Computer Science, established in the academic year 2020-21, addresses the needs of the Fourth Industrial Revolution. The program integrates electronics, computer science, and communication engineering, with a focus on hardware design, programming techniques, telecommunication engineering, and software development. It equips students to solve real-world problems in design, computation, and control. Graduates are in high demand across global industries, particularly in areas like smartphones, embedded systems, and software engineering. They possess skills in developing smart systems and applications using technologies such as IoT, Data Science, and Machine Learning.

Vision

To be the most sought after academic, research and practice based department of Electronics and Computer Science Engineering that others would wish to emulate.

SCHOOL OF PHARMACY

About the Programme:

A Pharmacist is an essential part of the pharmaceutical and health care industry and plays an important role not only in providing patients with the best possible health care but also health care products. A Bachelor of Pharmacy Degree leads to registration as a 'Pharmacist' by the Pharmacy council of India. The 8 semester (4 Years) under graduate programme equips a graduate with an ability to get on the fast track in one of the most dynamic industries in health care as Pharmaceutical Scientist with an extensive role: From Discovery to Delivery, The career puts you on the front line of patient care and offers opportunities for professional growth., exceptional financial rewards and opportunity to help people.

SoP Programme Educational Objectives

- Build upon **comprehensive knowledge** of pharmaceutical sciences.
- Be **significant contributory pharmaceutical professionals** in pharmaceutical and allied sectors.
- Emerge/Act as **social responsible & ethically strong professionals**.
- Be **emotionally intelligent contributory members** of society.

AIKTC School of Pharmacy Events, Seminars & Workshops

1. One of the Best Anchor Award was won by Ms. Amina Hajwani at DLLE Fest UDAAN, University of Mumbai
2. First prize was won by Mr Yahya Shaikh at Ignition Competition 2020 at VES College of Pharmacy
3. Prizes bagged by Mr. Vedant Samant, Ms. Chandni and Mr. Saddam Idrisi at Rx Fest held for all colleges under University of Mumbai.
4. Mini workshop on Handling and Maintenance of Zebrafish Facility was conducted for external post graduate students.
5. Poster presentation by Ms. Amina Hajwani, Ms. Afreen Khan, Mr. Jeehan Chaudhary, Mr. Mohammed Ilyas in one day national seminar on encapsulating targeted drug delivery systems at MET College, Bandra.
6. Poster Presentation by Mr. Vedant Samant and Mr. Aadil Malik at Mega Industry—Institute Connect, KGRD College of Pharmacy, Karjat.
7. Paper presentation by 5 project team of Final Year students at IPCA 2020, Chennai.
8. Celebration of UDAAN Annual MU Fest at AIKTC by extension students.
9. Institutional Animal Ethical Committee (IAEC) Meeting and LIC meeting.
10. Pre-diabetic and Haemoglobin Health Camp, Student Solar Ambassador Workshop on 2nd October 2019 in collaboration with IIT, Bombay as a Part of Unnat Bharat Abhiyan activity of Ministry of Human Resource and Development.
11. Drug Awareness and Drug Interactions amongst cardiovascular drugs, Antitubercular drugs, drugs to be avoided during pregnancy, prevention and treatment of dengue on eve of world pharmacist day celebration.
12. Physiotherapy, Ophthalmology, Orthopaedic, Blood donation, Know your Health, Innovative booth competition and General Health Camp on eve of world pharmacist day celebration.
13. Sanitation and First Aid Awareness at Seawood Abyssika, Seva Sangh, NGO based school for underprivileged children by Extension students.
14. Industrial Visit at Influx Healthcare, Palghar for Second Year students.
15. One day workshop on Research Methodology for Final year students.
16. Nutrition education awareness in BMC School, Kurla, Environmental Awareness Camp at Panvel, Awareness on corona Disease at Central Park-Kharghar, Skin disease awareness camp for helpers, Stress Management workshop at AI School, Turbhe, Distribution of Hand Sanitizers prepared by Extension students to slums in Sion during Pandemi by Extension students.
17. Workshop on Ointment, Bottle filling & Bottle washing machine
18. Awareness on Safe and Effective Medicines at Orion Mall, Panvel.
19. Population Education Club Launch for social cause and awareness.

My four years at AIKTC SOP were great and a memory to cherish for a lifetime. The years spent here were full of learning opportunities and grooming oneself personally and professionally. I am thankful to all the faculty, mentors, and the entire AIKTC. Overall, it was a great experience and a lifetime memory at AIKTC SOP

SCHOOL OF ARCHITECTURE

About the Programme:

Architecture is the art and science of designing buildings and structures. It's journey which requires Creativity, Passion, Confidence, Imagination, Good Communication, Drawing and Sketching skills. It includes within its scope the design of any built environment, structure or object, from Town Planning, Urban Design, Landscape Design to Furniture Design. The objective of the course is to nurture Young Professionals who are sensitive designers with sound technical knowledge to address societal concerns. This 5 year course is divided into two parts one is Basic Course (1st to 3rd year) and the other is Advance Course (4th and 5th year). First three years is more of self exploration, interaction with small communities to understand their needs and Design for them. In the Advance Course the focus is to understand larger communities and masses to be able to design at Urban / City level. Finally one can say that Architecture is a very broad and humanistic field which demands you to be sensitive towards arts, aesthetics and possess sound knowledge in the fields of Engineering, Logistics and Ergonomics.

SoA Mission Elements

- To train professionals with competency to conceptualize, plan, design and detail, Built Environment and Spaces for human habitation for all present uses and functions of the society.
- To foster an understanding of Private, Semi Public, realms, to be able to recognize their differing needs and providing solutions within the socio-economic, legal and ethical frame work.
- To train designers to meet the New Environmental challenges for sustainable lifestyles.
- To create a sound base in architectural technologies.
- To foster creativity and lateral thinking (between different fields of design) to be able to provide appropriate design solutions.
- To inculcate a sound base of architectural theory and history to create a comprehensive awareness about Architecture asa Descipline.
- To understand its relationships with other branches of knowledge such as liberal arts, sociology, economics and science.

Kamu Iyer Design Competition

Metal workshop to construct Warren Truss Bridge Girder

Mud Idol Making Workshop

Study Tour to Step well at Bhuj, Kutch, Gujarat.

AIKTC School of Architecture: Events, Seminars & Workshops

KOLLOQUY: An inspirational seminar series- discourse in sustainable practices. Three guest speakers Dr. Smita Khan, Ar. Yashita Shah and Ar. Dhruvang Hingmire have shared their experience in materials and unconventional techniques of design, green building project and environmental interaction followed by a panel discussion.

KARYASHALA: Hands on workshops on Mud Idol by Krupa Shah, Eco Brick Workshop by Tajuddin Ansari and Natural Plaster by Ar. Ashwin chari.

Kamu Iyer Design Competition: An yearly architectural competition held for third year students for all architecture colleges in Navi Mumbai.

QALEEN Magazine release: A yearly magazine published by AIKTC-School of Architecture.

Play performed by third year students on Secularism and Unity in Diversity during annual UDAAN Festival 2019-20 undertaken of DLLE, Department of University of Mumbai. It was hosted by AIKTC with 300 students across more than 20 colleges of Navi Mumbai.

Two days Bamboo Workshop was conducted for second year students in design studio.

A Timber Workshop was conducted for second year students to understand building elements in timber and its detailing.

Rammed Earth and Lime Plaster Workshop was conducted for second year students at Hunnarshala Foundation.

Two days Workshop was conducted on Architectural Sketching and Representation for first year students by Ar. Anshul D. Sinha.

Three days Metal Workshop was conducted for third year students to Construct Warren Truss Bridge Girder to 1:5 Scale.

Hands on Workshop conducted for second year students which deals with learning from traditional/vernacular design principles. Workshop was conducted in three different stages. In first stage, students made adobe (sun dried mud) bricks using local soil. In second stage, students constructed two walls using the same adobe bricks made in first stage. In third stage, students dealt with bamboo joineries, designed and executed a bamboo assembly over adobe brick walls. Objective of workshop was to make students exposed to design detailing while handling natural building material.

Small Marathon-Run jog walk activity conducted under SHIFA for creating awareness amongst students about fitness.

Study Visit to Precast Construction Technology @ Housing Project of CIDCO executed by B. G. Shirke Construction Tech Pvt. Ltd. at Talaja Phase-2

Timber Workshop

Workshop on Rammed Earth Construction and Lime Plasters at Hunnarshala Foundation

Kolloquy-Discourses in sustainable practice with panelist Ar. Dhruvang Hingmire, Ar. Yashita Shah, & Dr. Smita Khan

MASH-UP

Mash-Up is a week long event at AIKTC's School Of Architecture. It is a event where 5 trophies are competed amongst the 5 years improving the skills in terms of students' Creativity, Festivity and Learning. It is a Combination of Skill, Talent , Technique , Sports, Array, Food and Fun. The class which wins the maximum trophies out of the five wins a master trophy called the TRIMASH. During the lockdown phase , this festival was scheduled online to see some amazing innovation and output from the winners.

TEAM : SCHOOL OF ARCHITECTURE

(L-R) Row 1: Prof. Parag Rawool, Prof. Raj Mhatre (I/c Dean), Dr. Ramjan Khatik(I/c Director), Prof. Abhijit Nambiar

Row 2: Prof. Insha Shaikh, Prof. Teena Pathan, Prof. Apurva Deshpande, Prof. Mayuri Deshmukh, Prof. Prajakta M. Wadwalkar, Prof. Sarah Giniwale, Prof. Sandeepkumar Prajapati.

Row 3: Prof. Saddam Sayyed, Prof. Suyash Mankame, Prof. Siddhesh Kolambekar, Prof. Kamlesh Gade, Prof. Pawan Rao.

CENTRAL LIBRARY KNOWLEDGE RESOURCES & RELAY CENTRE (KRRC)

Library@Glance

Total Area	: 9,633.7 sq.ft.	National Journals	: 57
No. of Volumes	: 24,380	International Journals	: 10
No. of Titles	: 806	Magazines	: 26
Bound Journals	: 340	Project Reports	: 823
Audio-Visual Journals	: 850	Thesis / Dissertations	: 26

Institutional Repository (IR)

- ▶ IR accepts, archives, and provides access to the scholarly & research works of AIKTC'ians, as well as works that reflect the intellectual & service environment of the campus.
- ▶ **Ranked among World Institutional Repositories by CSIC-Cybermetrics Lab, Spain.**
- ▶ Repository Indexed by Google | Google Scholar
- ▶ Repository Registered in:
 - Directory of Open Access Repositories (OpenDOAR) hosted by University of Nottingham, UK.
 - Registry of Open Access Repository (ROAR) hosted by University of Southampton, UK.
 - Registry of Open Access Repository Mandates And Policies (ROARMAP) hosted by University of Southampton, UK.
 - Duraspace : Dspace User Registry

eResources

ASCE - Civil Engineering : 41 International eJournals with backfiles access from 1983

Videeya eBooks : 102 eBooks of Indian Authors

Springer eBooks : 2000+ eBooks

Remote/Off Campus Access to all above eResources Anytime, Anywhere & Anydevice

Achievement: Contributor of content to the National Digital Library of India (NDLI).

Membership of National Digital Library of India (NDLI):

- Platform of Large volumes of original and collated Educational material at one's fingertips.
- Availability of a wide range of Educational Resources from Primary to Postgraduate levels.
- Variety of Reference Materials for a subject spectrum of Science and Technology, the Arts and the Social Sciences, the Medical Sciences and Legal studies etc.
- Availability of diverse resources such as Books/Audio books; Lectures/Video Lectures/ Presentations/ Simulations/ Lecture Notes; Question Papers and Solutions.
- Includes content of most Indian languages with User Interface supporting the more widely used languages.

Vision

To become most sought after Central Library rich in academic and research based resources with ingenious practices that others would wish to emulate.

Mission

Facilitating Exuberant Learning Through Knowledge Resources.

Institute

KEY FEATURES

LIBRARY WEBSITE : Stay updated with at just click www.aiktclibrary.org

LIBRARY AUTOMATION - KOHA (OSS) : Large Bibliographic database, Barcoding, Email & SMS Alert Service, Serial Control, Budget Analysis, CAS/SDI services etc...

Live WebOPAC (Open Public Access Catalog) : Provides the facility of member login, searching, online reservation of materials and Members can also suggest books to their library online.

CD LIBRARY : CDs/DVDs content upload on the Institutional Repository for easy access & future preservation.

ARTICLES ABSTRACT DATABASE : Find Journals abstract of research articles from multiple subscribed journals by the library with one search box.

QUICK RESPONSE (QR) SERVICE : Library books are equipped with QR codes linked to eResource, fair initiating academic and research excellence for users.

CURRENT AWARENESS SERVICES (CAS) : The purpose of a CAS is to inform the users about new updates and acquisitions in their library. Library uses WhatsApp, Telegram Channel, Blog, Facebook and Google Classroom to update its users.

ANTI PLAGIARISM TOOL : The library uses the most effective and trusted plagiarism prevention tool to avoid copy and paste culture and maintain academic integrity.

Millions of eResources
at Your Fingertips
Scan ME

A project of the AIKTC Central Library puts millions of Open Educational Resources (OERs) at the fingertips of faculty, researchers, and engineering, pharmacy, and architecture students. Please visit and enjoy enormous OERs for your **ACADEMIC and RESEARCH** excellence.

TEAM KRRC

(L-R) Row 1: Ms. Usha Sharma, Ms. Nazneen Palekar, Mrs. Shaheen Momin (Librarian), Dr. Ramjan Khatik (I/c Director), Mr. Afaq Sayed, Mr. Saquib Adhikari, Mr. Ubad Rasalkar, Mr. Irfan Dhepe.

Row 2: Mr. Rupesh Gaonkar, Mr. Zaid Bakshi.

TRAINING & PLACEMENT CELL

The Placement Office is responsible for campus placement at AIKTC. The placement officer, the departmental Placement co-ordinators and the student representatives handle various crucial tasks in the office like reaching out to companies, scheduling & executing placement related activities and carrying out all official communication with recruiters and with students. The Training and Placement Cell not only carries out the placement activities of the students but organizes various development activities that help in personality grooming and also gives them platforms to express themselves and enhance their soft skills. The team TPO endeavors to strike a match between recruiter expectations and student aspirations. The Placement Office is well-equipped with excellent infrastructure to support every stage of the placement process.

Activities of the Placement Cell :

- 👉 Soft Skills & Aptitude Training and other personality Development Programmes through Curriculum.
- 👉 Seminars, Special Lectures, Career Guidance Programmes and Entrepreneurship Development Programmes.
- 👉 Placed in Domestic and Multinational Companies through ON/OFF Campus Recruitment.
- 👉 Motivated and Assisted Students in Industrial Training and Industrial Visits.

REFUND OF FEES

- (a) The Candidate shall apply online for cancellation and submit duly signed copy of system generated application for cancellation of admission to the institution. Once the candidate submits online request for cancellation, his/her admission shall be treated as cancelled. The Institute shall consider the online request made by Candidate for cancellation as final irrespective of whether he/she has submitted duly signed copy of system generated application to the Institute. Upon such cancellation, the candidate shall lose the claim on the seat and such seat shall become available for further allotment. The candidate shall then become entitled to and the Institute shall refund the entire fees to the candidate after deduction of Rs.1000/- towards processing charges and return all his/her original documents submitted to the Institute within two days from submission of duly signed copy of system generated application to the Institute;
- (b) Notwithstanding clause (a) above, candidate shall not be entitled to any refund of his/her fee except the Security Deposit and Caution Money Deposit if the online cancellation is effected by the candidate after 5.00 p.m. of the cut-off date prescribed by the Competent Authority;

Rules & Regulations

CONDITION OF MINIMUM ATTENDANCE:

The Students will not be allowed to appear for the examination if he/she does not attend minimum 75 percent classes of theory, practical, drawing etc.

ACTION AGAINST RAGGING:

Maharashtra Prohibition of Ragging Act 1999 and Prevention and Prohibition of Ragging (Appendix 12 published in AICTE Approval Process Handbook (2011-12) and their amendments which may be published from time to time. The Maharashtra Prohibition of Ragging Act 1999 is in effect from 15th May, 1999 has the following provisions for Action against Ragging.

- a) Ragging within or outside of any educational institution is prohibited,
- b) Whosoever directly or indirectly commits, participates in, abets, or propagates ragging within or outside any educational institution shall, on conviction, be punished with imprisonment for a term up to 2 years and / or penalty, which may extend to ten thousand rupees.
- c) Any student convicted of an offence of ragging shall be dismissed from the educational institution and such student shall not be admitted in any other educational institution for a period of five years from the date of order of such dismissal.
- d) Whenever any student or, as the case may be, the parent or guardian or a teacher of an educational institution complains, in writing, of ragging to the head of the educational institution, the head of the educational institution shall, without prejudice to the foregoing provisions, within seven days of the receipt of the complaint, enquire into the matter mentioned in the complaint and if, prima facie, it is found true, suspend the student who is accused of the offence, and shall, immediately forward the complaint to the police station having jurisdiction over the area in which the educational institution is situated, for further action. Where, on enquiry by the head of the educational institution, it is found that there is no substance, prima facie, in the complaint received; he / she shall intimate the fact, in writing, to the complainant. The decision of the head of the educational institute shall be final.
- e) If the Head of the educational institution fails or neglects to act in the manner specified in section “d” above when a complaint of ragging is made, such person shall be deemed to have abetted the offence and shall, on conviction, be punished as provided for in section “b” above. Any Acts or its amendments which may be published from time to time by AICTE, Government or Judgments by Hon. Supreme Court of India, Hon. High Court of Bombay etc will be applicable to Candidates and Institutions covered under these rules of admission

Proposed : 1) Computer Engineering (Intake 60 to 120)

School of Engineering & Technology

DTE Code
EN3439

Eligibility Criteria for admission to First Year Bachelor of Engineering (B.E.)

Eligibility Criteria for Maharashtra State Candidature Candidates & All India Candidature Candidates, Union Territory of Jammu and Kashmir and Union Territory of Ladakh Migrant Candidature Candidates.

- (i) The Candidate should be an Indian National;
- (ii) Passed HSC or its equivalent examination with Physics and Mathematics as compulsory subjects along with one of the Chemistry or Biotechnology or Biology or Technical Vocational subject or Computer Science or Information Technology or Informatics Practices or Agriculture or Engineering Graphics or Business Studies and obtained atleast 45 % marks (at least 40 % marks, in case of Backward Class categories, Economically Weaker Section and Persons with Disability category candidates belonging to Maharashtra State), in the above subjects taken together;

AND

The Candidate should have appeared in all the subjects in CET and should obtain non zero score in CET conducted by the Competent Authority or should obtain non zero positive score in JEE (Main).

OR

- (ii) Passed Diploma in Engineering and Technology and obtained at least 45 % marks (at least 40 % marks, in case of Backward Class categories, Economically Weaker Section and Persons with Disability category candidates belonging to Maharashtra State);

Eligibility Criteria for admission to Direct Second Year Bachelor of Engineering (B.E.)

Eligibility Criteria for Maharashtra State Candidature Candidates & All India Candidature

- (i) The Candidate should be an Indian National;
- (ii) Passed minimum three years or two years (Lateral Entry) Diploma Course in Engineering and Technology with at least 45% marks (40% marks in case of Candidates of Backward Class categories, Economically Weaker Section and Persons with Disability category belonging to Maharashtra State) in any branch of Engineering and Technology from an All India Council for Technical Education or Central or State Government approved Institution or its equivalent;

OR

- (ii) Passed B.Sc. Degree from a University Grants Commission (UGC) or Association of Indian Universities recognized University with at least 45% marks (40% in case of candidates of Backward Class categories, Economically Weaker Section and Persons with Disability category belonging to Maharashtra State) and passed HSC or its equivalent examination with Mathematics as a subject;

OR

- (ii) Passed D.Voc. Stream in the same or allied sector (refer Schedule III);

- (iii) Any other criterion declared from time to time by the appropriate authority as defined under the Act.

Eligibility Criteria for admission to Master of Engineering (M.E.)

Eligibility Criteria for Maharashtra State Candidature Candidates & All India Candidature

- (i) The Candidate should be an Indian National;
- (ii) Passed Bachelor Degree in the relevant field of Engineering and Technology or Pharmacy from All India Council for Technical Education or Central or State Government approved institutions or equivalent, with at least 50% marks (at least 45% marks in case of candidates of Backward Class categories, Economically Weaker Section and Persons with Disability category belonging to Maharashtra State);
- (iii) Passed Bachelor Degree in the relevant course of Engineering and Technology or Pharmacy as specified in the eligibility criteria for admission to a Post Graduate Degree course of the concerned University for which admission is being sought;
- (iv) Obtained Qualified score in Graduates Aptitude Test in Engineering(GATE) conducted by the Indian Institute of Technology and valid for the current academic year;

OR

- (iv) Obtained non-Qualified marks in Graduates Aptitude Test in Engineering (GATE) conducted by the Indian Institute of Technology for the current academic year;

OR

- (iv) Obtained Qualified score in Graduates Pharmacy Aptitude Test(GPAT) conducted by National Testing Agency and valid for the current academic year;

OR

- (iv) Obtained non-Qualified marks in Graduates Pharmacy Aptitude Test(GPAT) conducted by National Testing Agency for the current academic year;

OR

- (iv) For sponsored candidates, minimum of two years of full time work experience in a registered firm/company/ industry/ educational and/ or research institute/ any Government Department or Government Autonomous Organization in the relevant field in which admission is being sought;
- (v) GATE or GPAT Qualified Candidates shall have preference over the not qualified Candidates.

Eligibility Criteria for admission to B.Sc-Information Technology

Passed H.S.C with Mathematics & Statistics as one of the subject with 45% marks (at least 40% marks for reserved category) in aggregate.

Please Note: Eligibility Criteria of Admission to all Courses may change as per DTE norms

Documents to be submitted

All Candidates

1. SSC (Std. X) Mark sheet and Passing Certificate
2. HSC (Std. XII) / Diploma Mark sheet (all years)
3. Leaving Certificate after passing HSC (Std. XII) / Diploma
4. MHT-CET/JEE-MAIN PAPER 1 Mark sheet
5. Domicile Certificate
6. Nationality Certificate/Proof
7. Aadhar Card
8. Pan Card
9. GAP Certificate (if applicable)
10. University Transfer Certificate (if applicable)

Minority Candidates:

1. Minority Declaration Affidavit

Reserved Category Candidates:

1. Caste certificate
2. Caste validity certificate
3. Non-creamy layer certificate (except SC/ST)

EBC Candidates

1. Income Certificate

OMS & Diploma Candidates

1. Provisional Eligibility Certificate
2. Migration Certificate (only for OMS Student)

(Above additional documents are required in addition to the general documents mentioned)
